DIGEST SHEET

TITLE OF ORDINANCE: SPECIAL

DEPARTMENT REQUESTING ORDINANCE: PURCHASING

SYNOPSIS OF ORDINANCE:

88-03-07

An ordinance approving the award of Reference #3648, with respect to the purchase of supplies and parts for the signal modernization projects at Bluffton Road and Lower Huntington Road, Old Trail Road and Lower Huntington Road and also Broadway and Rudisill Blvd. A portion of these supplies will also be used to replace damaged equipment resulting from a severe windstorm in December, 1987.

A "Prior Approval" is being requested on March 8, 1988.

EFFECT OF PASSAGE:

Award of this reference will ensure that the parts and supplies needed to repair the traffic signals damaged in December, 1987, and also parts and supplies needed for the modernization projects are available when needed.

EFFECT OF NON-PASSAGE:

The existing equipment at the intersections previously stated, is obsolete and can no longer function to its designed capabilities. Maintenance costs exceed acceptable annual maintenance standards. If these problems are not corrected with the installation of new equipment, the results will adversely affect conditions for transacting business and interfere with many phases of urban life and activity.

MONEY INVOLVED (Direct costs, Expenditures, Savings):

Traffic One	$8,555.00 +/-
Elliott Equipment	$3,090.00 +/-
G & B, Inc.	$4,987.00 +/-
